Inyo National Forest Prescribed Burn Fire Update

- Throughout this week, wildland firefighters have worked to hold the 332 acres completed on the “Pit” and “Smoke” prescribed fire units on the Mammoth Ranger District.
- Beginning October 13, firefighters plan to burn an additional 110 acres on the “Smoke” unit. This prescribed fire will be extremely visible alongside Highway 395 North, with the smoke plume showing from far distances up and down the valley.
- Updates will be posted on the [Inyo National Forest Facebook page](#) and [website](#).

Laurel Mountain Road Paving Schedule

- The contractor began paving on Laurel Mountain Road on October 12 and will continue through next week.
- Thank you in advance for your cooperation and we appreciate the community’s patience as we work to finish these road improvements before winter.
